

# Award for instrument and computational model makers at the INC

## Aim

The Instituto Universitario de Ciencia de Materiales Nicolás Cabrera (INC) wishes to recognize the work of instrument and computational model makers within the Institute by highlighting one publication describing a technical achievement impacting scientific work.

## Eligible participants

- At least one of authors should have a track record of publications where the INC is mentioned in the affiliation.
- Any technical article between 1 December 2016 and 30 November 2019.

## Applications

Applications will be sent by one or several members of the INC by email ([inc@uam.es](mailto:inc@uam.es)) before 1 November 2019. In their email, the members of the INC should include a pdf copy of the publication to be considered for the award and a brief text explaining the impact of their achievement.

## Award

- The publication will be highlighted in the web of the INC for one year.
- A travel award of 500 € to attend a conference for a young member of the group.
- A certificate.

## Important dates

- 1 November 2019. Application deadline.
- 30 November 2019. Selection of one awardee.
- December 2019. Presentation of the award during the Young Researchers Meeting.

## Committee

The Director of the INC will chose a committee including two senior members of the INC and one member of the technical services of UAM.

## Selection criteria

Technical excellence and potential impact of the achievement.
