

# Research awards for Physics students

## Aim

The [Instituto Universitario de Ciencia de Materiales Nicolás Cabrera](#) (INC) and the Departments of [Física de la Materia Condensada](#), [Física Teórica de la Materia Condensada](#), [Física de Materiales](#) and [Física Aplicada](#), provide 5 awards for research works performed by undergraduate students of Physics.

Students will present their work during the Young Researchers Meeting of the INC, to be held in December 2016.

## Eligible students

- Physics students with excellent marks, preferably third and fourth year undergraduate students.
- Students must have chosen the Department and the subject of their work.
- The performed work should be different than previous work by the student (for example, work made for the Physics undergraduate studies), but it can be a continuation of previous work, and the student may choose the same responsible scientist.

## Students will present

- A poster during the Young Researchers Meeting of the INC. The language of the meeting is English.

## Applications

The candidates should send their application to [inc@uam.es](mailto:inc@uam.es) before 2 May 2016. In their email, they should provide their name and surnames, the Department and subject of their choice and a copy of their marks (expediente académico).

## Awards

5 awards amounting to 1600 € (including taxes) each and 5 diplomas.

## Important dates

- 2 May 2016. Application deadline.
- 9 May 2016. Selection of 5 awardees (notified by email).
- First week starting 6th June 2016. Payment of the award.
- December 2016. Presentation of the work during the INC Young Researchers Meeting and delivery of the diplomas.
- Work commencing: 9 May 2016.
- Work ending: 23 December 2016.

## Committee

The selection committee will have 5 members, one per Department and one member of the INC, chosen by the respective Departments and the INC.

## Selection criteria

The applications will be ranked following the applicants marks (expediente académico).

There will be at least one awardee per participating Department.
