

# Research awards for Physics students

## Aim

The Instituto Universitario de Ciencia de Materiales Nicolás Cabrera (INC), the Condensed Matter Physics Center (IFIMAC) and the Departments of Física de la Materia Condensada, Física Teórica de la Materia Condensada, Física de Materiales and Física Aplicada, provide 8 awards for research works performed by undergraduate students of Physics.

Students will present their work during the Young Researchers Meeting to be held in December 2019.

## Eligible students

- Physics students with excellent marks, preferably third and fourth year undergraduate students.
- Students must have chosen their tutors and the subject of their work.
- The performed work should be different than previous work by the student (for example, work made for the Physics undergraduate studies), but it can be a continuation of previous work, and the student may choose the same responsible scientist.

## Students will present

- A poster during the Young Researchers Meeting of the INC. The language of the meeting is English.

## Applications

The candidates should send their application to [inc@uam.es](mailto:inc@uam.es) before 6 May 2019. In their email, they should provide their name and surnames, the Department and subject of their choice and a copy of their marks (expediente académico).

## Awards

8 awards amounting to 1600 € (including taxes) each and 8 diplomas.

## Important dates

- 6 May 2019. Application deadline.
- 8 May 2019. Selection of 8 awardees (notified by email).
- Week starting 5th of June 2019. Payment of the award.
- December 2019. Presentation of the work during the INC Young Researchers Meeting and delivery of the diplomas.
- Work should start on 8 May 2019 and end 22 December 2019.

## Committee

The selection committee will have 5 members, one per Department and one member of the INC, chosen by the respective Departments and the INC. At least 3 members will belong to IFIMAC.

## Selection criteria

The applications will be ranked following the applicants marks (expediente académico).

There will be at least one awardee per participating Department.

The INC will provide the budget for 1 award, whose tutor must be a member of the INC and the IFIMAC for 3 awards, whose tutors must be members of IFIMAC.
